September Section Luncheon Meeting

“50’s and 60’s Modern Architecture in the Piedmont”

**Patrick Lucas, PhD, Assistant Professor, Dept. of Interior Architecture,
University of North Carolina at Greensboro**

September 18, 2007 11:45 - 1:00 - Sawtooth Center

This presentation will be on 1950's-60's modern architecture in the Piedmont and what is being done to preserve and reuse it. This is very applicable to the resurgence of downtown Winston-Salem we are now experiencing since many of the buildings of that time are being renovated and adapted here.

Lunch will be catered by California Fresh Catering

President’s Message and News:

We are very excited to have Phil Freelon, FAIA as the chairman of the jury for our annual design competition. Please remember that your entry forms are due **SEPTEMBER 15**. You can find those forms on the website at <http://www.aia-winstonsalem.org/awards.html>. This is a great opportunity to show the rest of North Carolina the great design work that is being done by the architects in Winston-Salem.

We are finalizing the planning for our AIA 150 event. It will be a Trolley Tour of Architecture in downtown Winston Salem to coincide with the October 5 Gallery Hop in the Arts District. This is another great opportunity to showcase the architecture of Winston-Salem past and present. If you are interested in volunteering on the night of the event please contact Sterling Bollinger at sterling@tga-nc.com.
