AIA Winston-Salem Section Meeting

**Mike Nicklas, FAIA**

Principal, Innovative Design

**August 19, 2008 11:45 - 1:00 - Sawtooth Center**

Mike is an enthusiastic leader in moving the profession toward sustainable design. His firm was the first architecture firm in the US to be honored by the EPA with the 2006 Annual ENERGY STAR® Awards for "Excellence in Energy Efficiency"; it won again in 2007. Founded in 1977, Innovative Design's primary focus has been energy-efficient, environmentally sensitive design with over 750 buildings incorporating renewable energy solutions. The firm is responsible for the design of 15 new daylit schools, 41 renovated schools and major consulting for 42 other daylit schools.

#### Section News:

##### **UNCC & NCSU Scholarships**

Due to the great support of our sponsors, golf playing members and friends, the AIA Winston-Salem was able to continue the funding of scholarships for local architecture students at NCSU and UNCC. Thanks.

##### **Build It! At the Children's Museum**

The week of August 11-15, your AIA W-S Board is helping future architect campers explore building materials and get a feel for what we do.

##### **Sawtooth Center Construction starts soon!**

Starting in September, until construction is completed, the Section luncheons will be relocated to other venues – yet to be determined. We are looking at several options, and may try out a few locations and formats; so keep posted. Venue suggestions are welcome.

##### **Change in Plans**

The Board has decided to take a year off from the Design Awards; and the Art by Architects event in W-S is off – just too soon after the Greensboro one.

##### **It's a Busy Rest of Year**

Details to come: Tour of Deacon Tower at Groves Stadium, Proximity Hotel Tour with IIDA, Gordon Schenk architectural photo exhibit at WFU, Bucky Frye multi-hour session, Lawrence Scarpa (Pugh + Scarpa) presentation...
