NEW MEETING PLACE

With the Sawtooth Center under construction, we will be holding most of our meetings in a great space at the Gateway Gallery in the Enrichment Center at 1006 South Marshall Street. There is plenty of parking in lots north and south of the facility; the Gallery entrance is along Marshall Street. <http://www.enrichmentcenter.org/index.html>

DR. ROBIN ABRAMS, AIA

Head of the School of Architecture, NCSU

November 18, 2008, 11:45 - 1:00 – Enrichment Center

Come and meet the new Head and hear more of her plans for the school. Dr. Robin Abrams is a registered architect and landscape architect, specializing in inner city revitalization, housing, and urban design. She is a member of the American Institute of Architects and the American Society of Landscape Architects. She earned a degree in Urban Studies from Northwestern University, a Masters in Community & Regional Planning and a Masters of Architecture from the University of Texas at Austin, and a Doctorate in Landscape from the University of Sheffield, England. Dr. Abrams has worked in the field of urban design in Austin, Texas since 1979. During that time, she has produced over thirty master plans. In addition to work in the U.S., Dr. Abrams has consulted on projects in Mexico, Japan, and England.
